# WELCOME!

**Dear participants, speakers, and sponsors,**

Thank you so much for getting involved with this year's event!

The UK MedTech Innovation Assembly 23 is looking to discover and entrench partnerships and collaborations, both interdisciplinary and geographically in the MedTech and HealthTech worlds.

As part of this, we have brought together speakers and exhibitors from core innovation hubs in the UK including Cambridge, Leeds, Sheffield, and Newcastle.

To stimulate conversation and collaboration the day's agenda includes a mixture of collaborative workshops, insightful panels, exhibitor areas, and networking opportunities.

The UK MedTech Innovation Assembly 23 looks to address the challenges faced in the MedTech and HealthTech fields and explore the trends causing shifts in the market. Be sure to read the full agenda below for a run-down of all the topics covered.

We look forward to seeing you at the event!

Kind Regards,  
Jess
